I.1 INTRODUCTION

Careful reading of the present "VERDON SWIM EXPERIENCE 2026 EVENT REGULATIONS" is mandatory.

The VERDON SWIM EXPERIENCE 2026 is organised on June 26, 27 and 28, 2026 by the association CREASPORTS ORGANISATION. The FFN-supported swimming club is the Cercle des Nageurs de Gap.

The spirit of this outdoor sporting event is to allow swimmers to enjoy themselves by participating in one or more open water swimming events in the privileged environment of Lake Sainte Croix on the CADENO beach (Moustiers-Sainte-Marie Sainte Marie).

The names of the different events are as follows:

500m: VSE500

1.5km: VSE1.5

3.5km: VSE3.5 SUNSET AND SUNRISE

6km: VSE6.0 SUNSET AND SUNRISE

Several increasing distances are offered, so that each swimmer can choose the one that suits them best.

Each event is open to all swimmers licensed with the FFN, FINA or unlicensed by taking out an FFN license.

I.2 PROVISIONS COMMON TO ALL EXAMS

Swimmers must arrive at the registration area in the starting village at least one hour before their race. There, they can have their race numbers marked on their arm and hand, and these numbers must be visible throughout the race. Swimmers are required to wear the swim cap provided by the organizers.

Briefing:

Cadeno nautical base for VSE 500, VSE1.5 and VERDON PADDLE RACE-CROSS SWIM

Etoiles nautical base for VSE3.5 and VSE6.0

Swimmers must gather near the podium at the time of the pre-race briefing to listen to a reminder of the instructions and rules they

acknowledged upon registration. The organizing committee may prevent a competitor from starting if they are clearly unable to complete the race. Following this reminder, swimmers are invited to proceed to the starting line.

The start takes place directly in the lake, at the location indicated by the race official. The start is given on the starter's command. There are no false starts; failure to comply with the race director's instructions may result in disqualification.

For VSE3.5 and VSE6.0 participants will have to take a bus to take them to their starting point (Etoile Nautical Base - Pont du Galétas) located 1.5km from the organization village.

For the VSE3.5 and VSE6.0 events, swimmers will swim through the Verdon Canyon and back. Canoes will be positioned in the center of the canyon to allow swimmers to pass on either side. Swimmers must follow the instructions of the officials, and the French Open Water Swimming Federation's regulations will be enforced.
